

Anita Borg Institute Partner Program

Connect. Inspire. Guide.

We partner with industry leaders worldwide. These forward-thinking organizations are dedicated to building balanced teams to encourage innovation. Collectively, our partners represent almost three million employees. They engage with ABI throughout the year on efforts to build diverse cultures and environments.

ABI partners with companies like yours, providing the insight and expert guidance you need to build stronger teams and grow your technology innovation quotient.

50+ Partner organizations

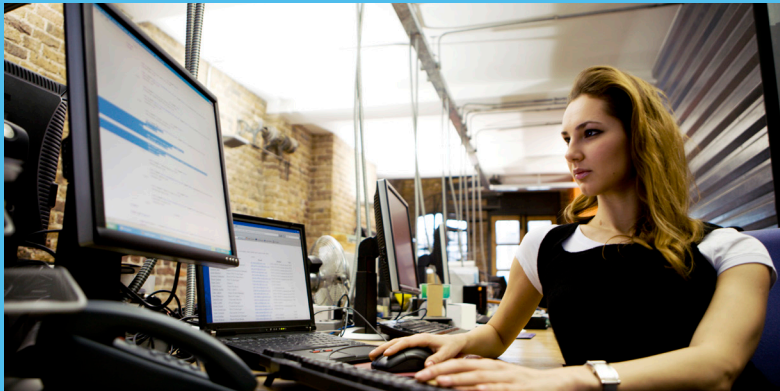

85% are Fortune 500 companies

3 Partner in-person meetings each year
